

Before Ryan Pelton came into the HCS Program with R&K Specialized Homes, he had held jobs in the community at the Botanical Gardens and Chucky Cheese. After entering R & K's program, he realized that he wanted to continue working in the community. So Ryan, with the assistance of his case manager and family, located a job in the community at HEB. He enjoys working there and is proud of his work. He has a great sense of humor is a very friendly person. He always has a positive attitude and is always willing to help someone out when needed. Ryan loves music, going out to eat, going to the movies, and spending time with his family. Ryan also enjoys downloading music to his Ipod, shopping, going to the library and bingo.
