

Tonya has achieved many accomplishments over the past several years. Since admission to Complete Life Care over 10 years ago, Tonya has made strides with her daily living, self help, personal hygiene and social skills. Tonya has achieved a substantial goal of planned weight loss, has become more active with Special Olympics, and has the desire to assist her housemates and staff on a regular basis, even before being asked. Tonya loves to go shopping, talk with friends, listen to music, dance, go to parties, watch movies and eat out. She is well liked by her peers, both at her vocational and home settings. Tonya is a great achiever!
